Cal Hacks 13.0

San Francisco • October 23-25, 2026

Meet the Best Students at UC Berkeley and Beyond

Cal Hacks attracts thousands of the worlds most talented student developers every year. At Cal Hacks, projects push boundaries in every industry, from AI to Web3 to Healthcare and more. You ll have a unique opportunity to work with and inspire the top future founders, engineers, and designers.

What is a Hackathon?

A hackathon is an event where students develop technical projects in a collaborative environment. Students begin with an idea and complete a project over the course of 36 hours.

Why Sponsor?

- Connect with a diverse group of thousands of high-achieving students who have shipped their projects to thousands of people, founded Y Combinator startups, and conducted groundbreaking research
- Work with students as they solve real problems with tight deadlines, allowing you to properly assess and access a talented pool of potential new grad hires and intern candidates.
- Highlight your APIs and technology through workshops and promote innovative projects with prizes.

Last year, we supported...

3000+ hackers

50+ majors

300 universities

15+ countries

1200+ beginner hackers

1000+ female, non-binary, and gender-queer hackers

Testimonials

Some of our previous sponsors' experiences at Cal Hacks:

"Cal Hacks was an **awesome opportunity** to connect with many talented students. It was a **jam-packed** event with great young engineers in attendance! Cal Hacks is the **perfect** place to expand your network and source candidates and collaborations. The organizers did a great job in bringing together innovative companies and **talented** student engineers."

-Otto, 9.0 Sponsor

"CalHacks attracts **top-talent** hackers and **future leaders and unicorns**. As a loyal sponsor since CalHacks 2.0, I would not miss this event in the world to attract and recruit talents and put any of my companies' technology to its critical tests for hackers to break them. Imagine the amount of money you can save from your engineering cost. Do not miss this event!"

- Zepp Health, 10.0 Sponsor

"The Berkeley AI Hackathon 2025 **exceeded all expectations** and stands out as one of the **most professional organized events we've ever sponsored**... every detail was thoughtfully managed and the high caliber students built sophisticated projects

- Vapi, AI Hackathon 2025 Sponsor
